Payment method SEPA direct debit Credit card authorization (recurring billing)

Owner of account/card:

Expiry date

IBAN / Card number:

On payment via Credit Card, I (we) hereby authorize Ledl.net GmbH (until revoked) to deduct via Credit Card, the outstanding debits which I (we) have to pay. This authorization applies to all existing and future demands, which I am (we are) charged.

On payment via Direct Debit, I (we) hereby authorize Ledl.net GmbH (until revoked) to deduct from my (our) account via SEPA Direct Debit Core the outstanding debits which I (we) have to pay. This SEPA Direct Debit Core mandate applies to all existing and future outstanding debits which I am (we are) charged. Thus also my (our) bank is authorized to make the collection, although for them it is not obligatory, in particular if my (our) account does not have sufficient cover. I (we) have the right to cancel the payment at my (our) bank within 56 days. The mandate-ID will be announced by Ledl.net GmbH at the next debit. The Creditor-ID of Ledl.net GmbH is AT09ZZZ00000039641. Per failed deduction expenses of EUR 18.00 incl. 20% VAT are charged.

The customer confirms to be at least 18 years of age resp. to have the permission from its legal guardian to conclude a contract with the provider. The customer confirms to have read the current price list and the GTC of the provider (available at: www.domaintechnik.at/terms) and accepts them expressly as obligatorily. The customer takes over the payment obligation for the domain name(s) and any additional services. The costs charged for these domains and services are known by the customer. In case of arrears, reminder fees and default interest of 8% will be charged. Termination has to be in written form (signed document according to our GTC). This framework agreement also applies to future online orders of the customer. Jurisdiction is the BG Neumarkt/Sbg.
